

WHITE HOUSE HOLIDAY HOW-TOS: DECORATIVE RIBBON VASE

Patterned fabric made using remnants and recycled ribbon

A finished decorative ribbon vase

DESCRIPTION

Learn how to make a decorative ribbon vase from your own embellished ribbon designs using remnants and recycled ribbon. The embellished ribbon designs can also be used as garlands, decorative container covers, mantel decorations and more!

MATERIALS

Base ribbon

Card stock for pattern

Ribbon for decorative pattern

Scissors

Hot glue gun & glue

A vase

INSTRUCTIONS

1. Create a pattern (e.g., chevron, triangle, polka dot, etc.) using cut pieces of decorative ribbon.
2. Using a hot glue gun, attach the decorative pattern to the base ribbon.
3. Let the fabric cool and settle.
4. Wrap the embellished ribbon around a glass cylinder or cube vase. Holding it in place, finish the ribbon vase by using a few dabs of hot glue or a few boutonniere pins.
5. Fill the containers with seasonal greens and flowers.
