Dear Ms. Espinel and the Obama Administration:

The Copyright Alliance has informed me of this welcome invitation from the Obama Administration to share my thoughts on my rights as a creator.

As a photographer, photojournalist, and artist intellectual property rights effect me greatly. The only way I am able to make money from my work is if my rights are protected by law. If not, anyone is free to take ideas and images from the Internet or elsewhere and use them as their own without permission.

Please help protect the livelihood of millions of Americans.

Respectfully Submitted,

Thomas Michael Corcoran
