Form details below.

First Name: Alessandro

Last Name: Machi

Email: [REDACTED]

Telephone: 818-888-7629

Comments: Artists who don't allow their work to be used on Youtube or other such places, even when the use is not intended for profit, SHOULD BE REQUIRED TO PUT SUCH A WARNING ON THEIR WORKS AT THE TIME IT IS SOLD TO THE PUBLIC.

Failure to warn paying customers about the artists copyright inflexibility when the customer then wants to use their product for non-profit purposes is outrageous.
