Product Description

ZOOM E-Cigs LLC, an indirect subsidiary of Vector Group Ltd., will launch ZOOM Premium E-Cigarettes in January. This line of disposable, non-rechargeable electronic cigarettes will include Tobacco and Menthol flavors, in Bold and Smooth styles. The products will be available nationally in single- and three-pack formats. Low-weight and at 100 millimeters long -- a size familiar to cigarette smokers -- ZOOM Premium E-Cigarettes feature an exclusive 130mAh battery that delivers at least 300 "TRU-PUFFS," the equivalent of approximately two packs of conventional cigarettes. In addition, ZOOM features a proprietary e-liquid that produces a premium-quality vapor steam, as well as a soft-tip filter and propriety packaging, the company reported.

blu Cartridge Flavors

Following strict manufacturing standards, blu cartridge flavors provide impeccable tastes for a great vaping experience. Great for any occasion, our cartridges contain only the finest ingredients to ensure terrific flavors. With a variety of flavors for every taste bud, you're sure to find the right cartridge(s) for your lifestyle.

Vivid Vanilla

Known to the ancients as a powerful aphrodisiac, vanilla's intoxicating bouquet has enchanted people of all cultures for centuries. The Vivid Vanilla electronic cigarette flavor cartridge combines the complex floral aroma of Tahitian Vanilla with the rich, velvety flavor of Madagascar Bourbon Vanilla. Expertly cured to ideal moisture levels with just a hint of sweetness, Vivid Vanilla captures the allure and pure essence of one of nature's most beguiling flavors.

Cherry Crush

A burst of Black Cherry swaddled in Maraschino undertones and blended with the dark mahogany blush of juicy Bing cherries, Cherry Crush is a tantalizingly tangy, potent, punchy and sweet addition to the line-up of blu e-cigs flavors.

Java Jolt

With a warm, inviting aroma and an unmistakable coffee bean taste, Java Jolt e-cig flavors evoke the laidback rhythm of coffeehouse culture and quaint sidewalk cafés. Enjoying this flavor is like sitting back and sipping a cup of refined medium-roast espresso beans, slow-brewed to piping hot perfection. Java Jolt is a pure and robust e-cigarette flavor any discerning coffee connoisseur will love.

Pina Colada

With every puff of Pina Colada, you'll brave a wave of Cayenne pineapple and silky-smooth coconut milk flavoring that's pure paradise. Just one e-cigarette flavor cartridge floods your taste buds with a tasty tropical concoction that's equivalent to about 250 puffs. So, whether you're on vacation or at your desk, the Pina Colada e-cig flavor will make you feel like you are relaxing on a tropical beach.
