\*Paid premium includes payments received and processed (YTD) from the Client School, as well as any Voluntary or Dependent premium received from individual students/dependents attending that Client School. These payments may be net of estimated administrative fees and/or Broker Fees, and would/can include premiums related to other products (i.e. Worldwide Assist (AD&D), Student Assistance Program (SAP), Vital Savings, etc.), which are included in the student and dependent's rate, but excluded from overall loss ratio calculations.
