Mortgage broker or licensed lender holding a VT license as of effective date have until 12/1/09 to comply. Those employed by mortgage broker or lender holding a license must comply by 7/1/2010. | Application and investigation fee: \$50. License fee: \$50. Renewal fee: \$100. Licensee must pay all fees for examinations. | From the VT Department of Banking: a third party mortgage servicer engaged in loan modification activity must be licensed as a mortgage broker, or a lender depending upon whether or not the servicer is also the lender. If an employee is engaged in mortgage loan originator activities, then the company - through its employee - is engaged in either mortgage broker activity (if the company is not the lender) or is engaged in lending activity (if the company is the lender). Thus, a servicer that provides in loan modifications through its employees needs a mortgage broker license (or a lender license) at the company level and the individual employees need MLO licenses. |
